Fusing Fun: Fast, Fearless Art Quilts: Supply List for 2 Day Workshop

Toss the templates and trash the rulers! Fusing is free form art making at its best. Working with fusible web on fabric, discover fusing techniques like free cutting, strip fusing, confetti collage, playing blocks, and improvisational assemblage.

Because fusing is fast and free you quickly invent your own design language to explore. In this class you will create multiple pieces of fun, fast, free, fused fiber art and get loose, really loose. As an added bonus, learn tunes from the Chicago School of Fusing Glee Club and graduate with an advanced degree in Fusology. $20 Kit Fee.
