

Tool Time! Lisa McKissick

Have you ever stared at the notions wall and wondered what all those tools do and which is the right one to buy? Then Lisa is your Tool Time Girl! This entertaining and informative lecture features over 30 of Lisa's favorite tools and corresponding quilts.

Of course, there will be rulers, cutters and marking devices - but be ready for a number of exceptional little gems along the way! This pattern author, retail buyer and quilter with over 20 years of quilting experience will captivate you with this clever, instructive presentation.
